COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE (37 CFR 1.104 (e))

As an initial matter, the undersigned would like to thank the Examiner for the search and review of the above-captioned application and the allowance of claims in the Notice of Allowance. In response to the Notice of Allowance, the undersigned submits herein a statement commenting on the reasons for allowance and respectfully requests that this statement be made of record.

Statement Commenting on the Reasons for Allowance

The Examiner, in the statement of reasons for allowance, appears to have attempted to copy the limitations of the bodies of the independent claims. There are some minor discrepancies (e.g., in claim 39 the Examiner refers to "generate a microinstructions" whereas claim 39 is understood to recite "generate a microinstruction"). To clarify the record for anyone who may later view the file wrapper in this application, the undersigned would like to remark that such discrepancies are understood to be minor errors in copying the language of the claims. Thus, the undersigned notes for the record that this Statement for Reasons of Allowance was not intended and should not be used to read different or non-existent limitations into the claims.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
